Search window

100+ search criteria
for detailed searches
in the bulletin data:
bibliographic data,
information on
proceedings
(e.g. examination,
opposition) and
unitary patent
related information

The screenshot displays the search interface of the European Patent Office. The left sidebar contains a tree view of search criteria under 'EP BULLETIN' and 'UP BULLETIN'. The 'UP BULLETIN' section is expanded to show 'General' criteria, with 'URQ' (Request for unitary effect) highlighted. A red box labeled 'Search criteria' points to this list. The main search area shows the query 'URQ=2017' and a red box labeled 'Query edit zone'. Below the query is a toolbar with navigation icons. The 'History' table shows the following data:

ID	Database	Result	Query	Parsed query
\$63	BULL 4000/00	1	URQ=2017	URQ = 2017

A red box labeled 'Search history' points to this table. At the bottom, there is an 'Index URQ' section with a 'Go to' field set to '2017' and a list of terms including '2017', '201703', and '20170324'.

Result window (fake example)

Customisable result list and document content for effective navigation in result sets, with download capabilities in multiple formats (ODT, XLSX, CSV, XML)

The screenshot shows a software interface for patent search results. It is divided into several sections:

- Query:** Located at the top left, it contains the text "URQ=2017". A red box labeled "Query edit zone" highlights this area.
- Result list:** Located below the query, it shows a table of search results. The first entry is "0195082" with a sub-entry "20170324" highlighted in yellow. A red box labeled "Result list" highlights this section.
- Document:** The main right-hand pane displays the full text of the patent document for "0195082". It includes sections for Title, Publication, Application, Priority, Proceeding status, Re-establishment of rights, International application, International publication, and Proprietor. A red box labeled "Document (EP and UP parts)" highlights this entire section.

The interface also features a top menu bar with "Preferences", "Download", "Print", and "Help", and a search bar with "Search", "Result", and "Statistics" tabs. The user's session is identified as "guest is using BULL.4000/00".
