European Patent Register – new structure

The screenshot shows the top of the European Patent Register interface. At the top left is the EPO logo and name in German, English, and French. Below that is a navigation bar with a back arrow and the text 'About European Patent Register'. Underneath are two search options: 'Smart search' and 'Advanced search'. The main content area is divided into two sections. The first section, titled 'EP2324938', is highlighted with a red border and contains a list of options: 'European procedure', 'EP About this file' (highlighted with a dark background), 'EP Legal status', 'EP Federated register', 'EP Event history', 'EP Citations', 'EP Patent family', and 'EP All documents'. A red line connects the 'EP About this file' option to the text 'European procedure chapter (EP)'. The second section, titled 'Unitary Patent', is highlighted with a blue border and contains a list of options: 'UP About this file', 'UP Event history', and 'UP All documents'. A blue line connects the 'UP About this file' option to the text 'Unitary Patent chapter (UP)'.
